A slide of text

The line starting with an equal sign is the title of the slide (and its name in the menu).

- A bullet point, with **bold** and *italic* text
- Inline math, $e^{i\pi} + 1 = 0$, and a link
  - A sub-point
  - Another one

$$f(x) = \sum_{k=0}^{n} a_k \, x^k$$

Smaller text, for the details.

Two columns

Before

- The first column
- Its own list

After

- The second column
- Its own list

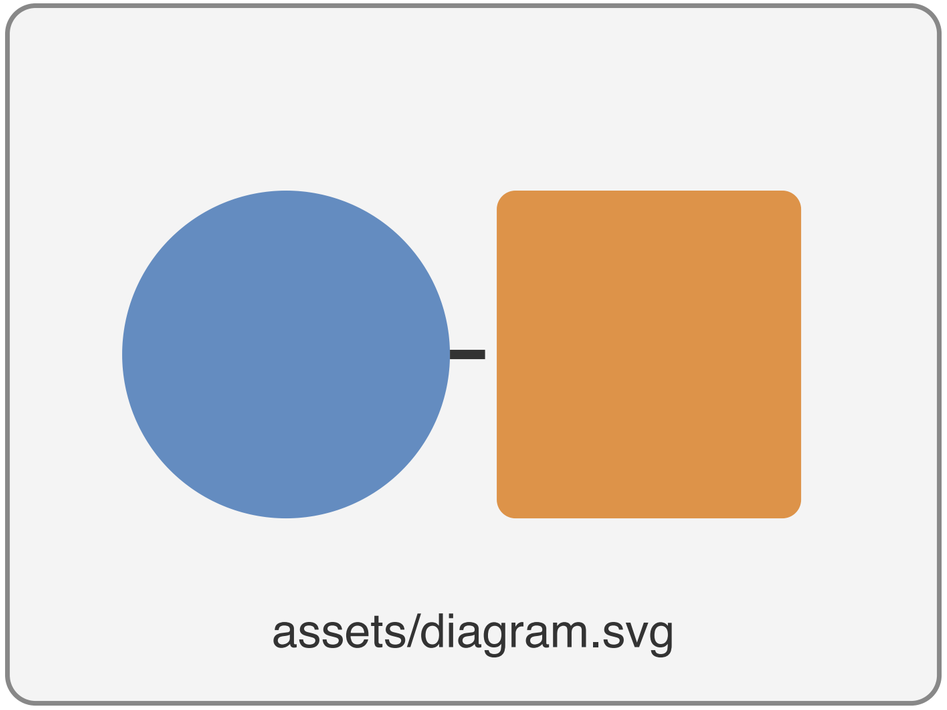

A framed key point

A slide with an image

The layout side puts the text on the left, and the figures of the media block on the right, fitted to the column.

Put the image next to the slide, in assets/

Name it in the media block below
